Journal of Sedimentary Petrology

INDEX TO VOLUME 20

Acruliammina longa 58
Adkins, W. S., cited 55, 59
Albite, authigenic 227
Alimen, H., cited 72
Allen, H. S., cited 173
Allen, P., cited 217, 219
Allen, V. T., cited 94, 95, 97
Alling, H. L., article by 133
Alling, H. L., cited 134, 136, 146, 147
Allochthonous sediments 5
Anderson, I. J., article by 55
Aquitanian basin 69
Arca 41
Archie, G. E., cited 179
Atwater, G. I., cited 230
Aurand, H. A., cited 97
Authigenic albite in the Green River oil shales 227
Autochthonous sediments 6

Baak, J. A., cited 205
Bagnold, R. A., cited 157, 159, 220, 223
Banka-Billiton group 201
Barrell, J., cited 55, 57, 59
Bawean group 194
Bayley, W. S., cited 34
Beach sand, laminated 220
Beesley, E. M., cited 57, 59
Beets, C., cited 114, 115
Behre, C. H , cited 101, 102, 103, 105, 106
Bergounioux, cited 72
Berthois, L., cited 72
Bertrand, L., cited 72
Binder, R. C., cited 173
Bogardi, J., cited 149, 159
Borneo group 197
Boswell, P. G. H., cited 94, 95, 96, 97
Bottom deposits at the mouth of Wakasa Bay, Japan, and on the adjacent continental shelf 37
Bradley, W. F., cited 130, 131
Bradley, W. H., cited 227, 230
Brajnikov, B., cited 72
Bramlette, M. N., cited 30, 34
Brammal, A., cited 26, 34
Breccias 8
Brewer, R., article by 214
Brewer, R., cited 214, 218, 219
Brognon, G., cited 68, 73
Brouwer, H. A., cited 205
Bruff, S. C., cited 115
Bubbles, transportation of sediment by 98
Bullopora chapmani 58
Bullopora n. sp 58

California, contorted Pleistocene strata at Newport Beach 111
Callistoma 115
Canadian River, Oklahoma, sands, sorting of 224
Carroll, D., article by 214
Carroll, D., cited 214, 217, 218, 219
Casey, J. J., cited 155, 159
Cayeux, L., cited 73
Champion, A. R., cited 109, 110
Chang, Y. L., cited 149, 155, 156, 159
Chapman, C. A., book review by 60
Chemical rocks 17
Circularity, measurement of (grains) 136
Clark, R. H., article by 21
Claystones 13
Cline, L. M., cited 21, 32, 34
Colorado, Green River oil shales, authigenic albite in 227
Colorado, mineralogy of some Cretaceous sandstones from the Front Range 85
Conglomerates 8
Contorted Pleistocene strata at Newport Beach, California 111
Contribution to the sedimentary petrology of the Sunda Shelf 185
Conus 115
Cornish, V., cited 104, 106
Coscinodiscus 41
Cox, E. P., cited 124, 131
Crepidula 115
Cretaceous sandstones (Colorado), mineralogy of 85
Culey, A. G., cited 214, 217, 218, 219
Current velocity, relation to sediment movement 148
Cuthbert, F. L., cited 130, 131

Dakota group 87
Dale, T. N., cited 78, 84
Daly, R. A., cited 230
Dapples, E. C., article by 3
Dapples, E. C., cited 3, 7, 18, 20, 55, 59
David, T. W. E., cited 214, 219
Deb, S., cited 69, 73
Deli group 194
Des Moines series sandstones 21
DeVaney, F. D., cited 162, 173
Deverin, L., cited 69, 73
Diastems 63
Diastems in the Pecan Gap chalk of Travis County, Texas 55
Dietz, R. S., article by 107
Dietz, R. S., cited 130, 131
Dion, H. G., cited 175, 176
Doeglas, D. J., cited 190, 205, 214, 219, 225
Donax 115
Dosinia 41
Dryden, C., cited 30, 34, 94, 95, 97
Dryden, L., cited 30, 34, 94, 95, 97

review of book 178
Ellisor, A. C., cited 55, 57, 59
Emery, K. O., article by 111, 220
Emery, K. O., cited 104, 106, 109, 110, 220, 223

Fahey, J. J., cited 227, 230
Fairbridge, R. W., cited 114, 115
Farchad, H., cited 73
Feigl, F., cited 116, 117
Foraminifera, indicators of diastems ... 57
Fox Hills sandstones 91
France, general aspects of sedimentation in 65
Frizzell, D. L., article by 55
Frondel, C., cited 81, 84

Gabriel, A., cited 124, 131
Gaudin, A. M., cited 99, 100, 106
General aspects of sedimentation in the geological basins of France 65
Gignoux, M., cited 73
Gilbert, C. M., cited 174, 176
Gilbert, G. K., cited 150, 154, 155, 156, 157, 158, 159
Gilligan, A., cited 22, 34
Gilluly, J., cited 97
Goldich, S. S., cited 94, 97
Goldman, M. I., discussion by 118
Goldstein, A., Jr., article by 85
Goldstein, A., Jr., cited 90, 97
Goldstein, S., cited 161, 173
Grabau, A. W., cited 4, 6, 20
Grant, U. S., IV, cited 220, 223
Green River oil shales, authigenic albite in 227
Griffin, R. H., cited 104, 106
Griffiths, J. C., book review by 178
Grim, R. E., cited 129, 130, 131
Gubler, Y., cited 73
Guillien, Y., cited 73
Gunter, G., review of book by 177

Happ, S. C., cited 98, 106
Harley, J. E., cited 214, 219
Hatch, F. H., cited 205
Heavy residues from lower Triassic conglomerates, New South Wales. 214
Hider, A., cited 158, 159
Hjulström, F., cited 99, 105, 106, 149, 151, 158, 159
Ho, C., cited 149, 160
Hodgman, C. D., cited 116, 117
'T Hoen, C. W. A. P., cited 194, 205
Holmes, A., cited 205
Hough, J. L., cited 224, 225
Hövig, P., cited 202, 205
Hygiene sandstone 91

Imlay, R. W., cited 59
Inclusions in the quartz of igneous and metamorphic rocks 74
Indri, E., cited 149, 159
Ingerson, E., cited 78, 84
Ingram, R. L., cited 134, 147
Initial shape and roundness of sedimentary rock mineral particles of sand size 133
Inman, D. L., cited 149, 158, 160, 223
Inoceramus 55
Iowa, Des Moines series in 21
Iron oxide coatings, removal of from mineral grains 174

Japan, bottom deposits at the mouth of Wakasa Bay 37
Java group 194
Jeffries, C. D., cited 175, 176
Johnson, D. W., cited 115
Johnson, J. W., cited 160

Coming in January—

A new integration of stratigraphy and sedimentation:

STRATIGRAPHY AND SEDIMENTATION

by **W. C. Krumbein** *and* **L. L. Sloss,** *Northwestern University*

Approx. 472 pp., 123 illus., $5.00

CONTENTS

1. Introduction, 2. The Stratigraphic Column, 3. Stratigraphic Procedures, 4. Properties of Sedimentary Rocks, 5. Classification and Description of Sedimentary Rocks, 6. Sedimentary Processes, 7. Sedimentary Environments, 8. Stratigraphic Paleontology, 9. Sedimentary Facies, 10. Principles of Correlation, 11. Tectonic Framework of Sedimentation, 12. Sedimentary Tectonics, 13. Stratigraphic Maps, 14. Paleogeography, Bibliography.

Petroleum geologists, paleontologists, and historical geologists will welcome this book. Those working in petroleum exploration will find the compilation of much recent literature applicable to many subsurface problems.

W. H. FREEMAN AND COMPANY

549 Market Street San Francisco 5, Calif.
